*Dedicated to all whose creature
is held safe in their hearts*

“There are no ordinary cats.”

Unknown

"I purr, therefore I am."

Anonymous

“The mirror of his human's mind.”

*Since the first day you stole my heart,
Persian kitten of smoke grey,
Gentle heart thou art,
Eighteen long years you were going to stay.*

*You would come to me quietly, softly,
The soothing calming of your purr,
You would sit with me however so closely,
I miss the neutral scent of your fur.*

*Innocence in your eyes, the sweetness,
Couldn't find claws amongst your fluffy paws,
Making me laugh with your cuteness,
Only you would not scratch with your claws.*

*You were my little prince.
Sleeping beautiful ever since.*
